Chocolate Chips By George™ Moves Forward

Chocolate Chips By George™ is on the move. Our company has been sending gourmet gifts for the past eight years to our loyal clients. Because of their support we are able to move forward.

Chocolate Chips By George™, which offers our signature gift is now a subsidiary of our newly formed corporation: *CCBG, Inc.* We will continue to produce our signature gift, which is the perfect gift for everyone and is delivered nationwide. We now offer two more subsidiaries of *CCBG, Inc.* These include

Hugs from Grammy by George, which assists our clients in any necessary fundraising efforts and *Custom Designed Gifts by George*, which will continue to provide custom gifts for our corporate clients.

We are always searching for new ways to offer our signature gift and we are proud to announce an exclusive show with SAM'S CLUB prior to the holiday season. Feel free to stop by and order early before the rush.

A Brave New World for "George"

We are happy to share news of bringing "George" into a brave new world. With the Incorporation of CCBG, Inc. George has taken steps to further this journey.

We hope to protect the in-

tegrity of "Chocolate Chips by George™," having recently registered the name and logo for a trademark, securing insurance coverage and acquiring a Dun & Bradstreet rating. We have joined the Uniform Code Council, which allows

us to retail our signature products with upc bar codes. Finally, please check out our website: WWW.chocolatechipsbygeorge.com
